## STATUS REPORT: BOARD ORDERS ON COMMUNITY BUSINESS ENTERPRISE PROGRAM AND SECURITY SERVICES CONTRACTS

On May 12, 2009, your Board instructed the Chief Executive Officer, Director of Internal Services, Affirmative Action Compliance Officer, and Acting County Counsel to report back in 60 days, on the progress of the County's Community Business Enterprise (CBE) Program.

On June 9, 2009, your Board instructed the Chief Executive Officer, working with Acting County Counsel, Auditor-Controller, and various County departments, to address certain issues arising out of a situation where a contractor providing security services at County buildings and facilities defaults on, or is unable to execute, the security service contract.

With respect to the CBE Program, we have been working with County Counsel, Internal Services, and the Office of Affirmative Action Compliance to review this and related programs. The complex legal issues raised by the Board instruction require additional time to review and analyze; therefore, we are requesting the due date on our response be extended to September 14, 2009 to allow time for this review.

As to the Board order concerning security service contracts, we are expecting responses back from affected departments in the next two weeks and request the due date for the resulting report to your Board be extended to August 10, 2009.

If you have any questions or need additional information, please let me know, or your staff may contact Martin Zimmerman at (213) 974-1326 or [mzimmerman@ceo.lacounty.gov](mailto:mzimmerman@ceo.lacounty.gov).
